Planes Hangar: screenshots

Companion to planes-hangar-writeup.md. Each page shows one screen of the game, captured on a phone-sized (390 x 844) view, with a short note on what it is and the write-up section that describes it.

Not captured: Sky City, Control Tower, Radio Out, Story Hangar, Hide and Seek, Take off (free flight).

1. Start screen: the airfield

File: 01-start-field.png

The first screen. All the planes are parked on a field; tapping one picks it and opens its hangar. See write-up section 2.1.

2. The hangar

File: 02-hangar.png

The chosen plane with its real name and character name. The bottom buttons lead to every mode: Build it, Design, Take off, Race, Learn, plus Win show. Section 2.2.

3. Build it

File: 03-build.png

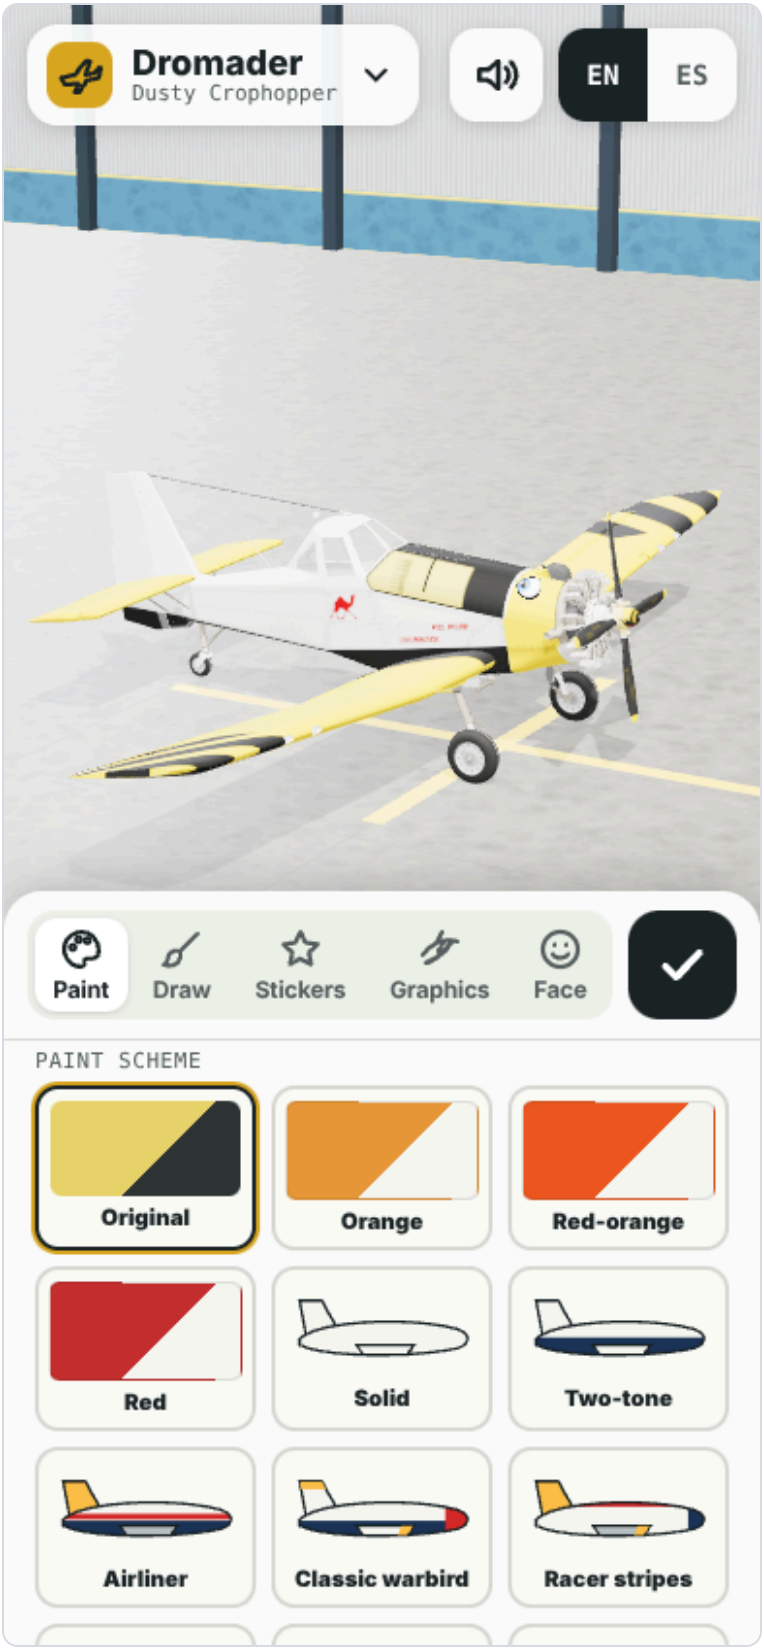

The plane is assembled one part at a time, with a narrator explaining what each real part does. Section 2.3.

4. Design (paint studio)

File: 04-design.png

Colors, stickers and hand drawing on the plane; his designs are saved. Section 2.4.

5. Learn menu

File: 05-learn-menu.png

Where the learning games and story modes are picked, with level pickers for grown-ups. Sections 2.15 to 2.17.

6. Classic race

File: 06-classic-race.png

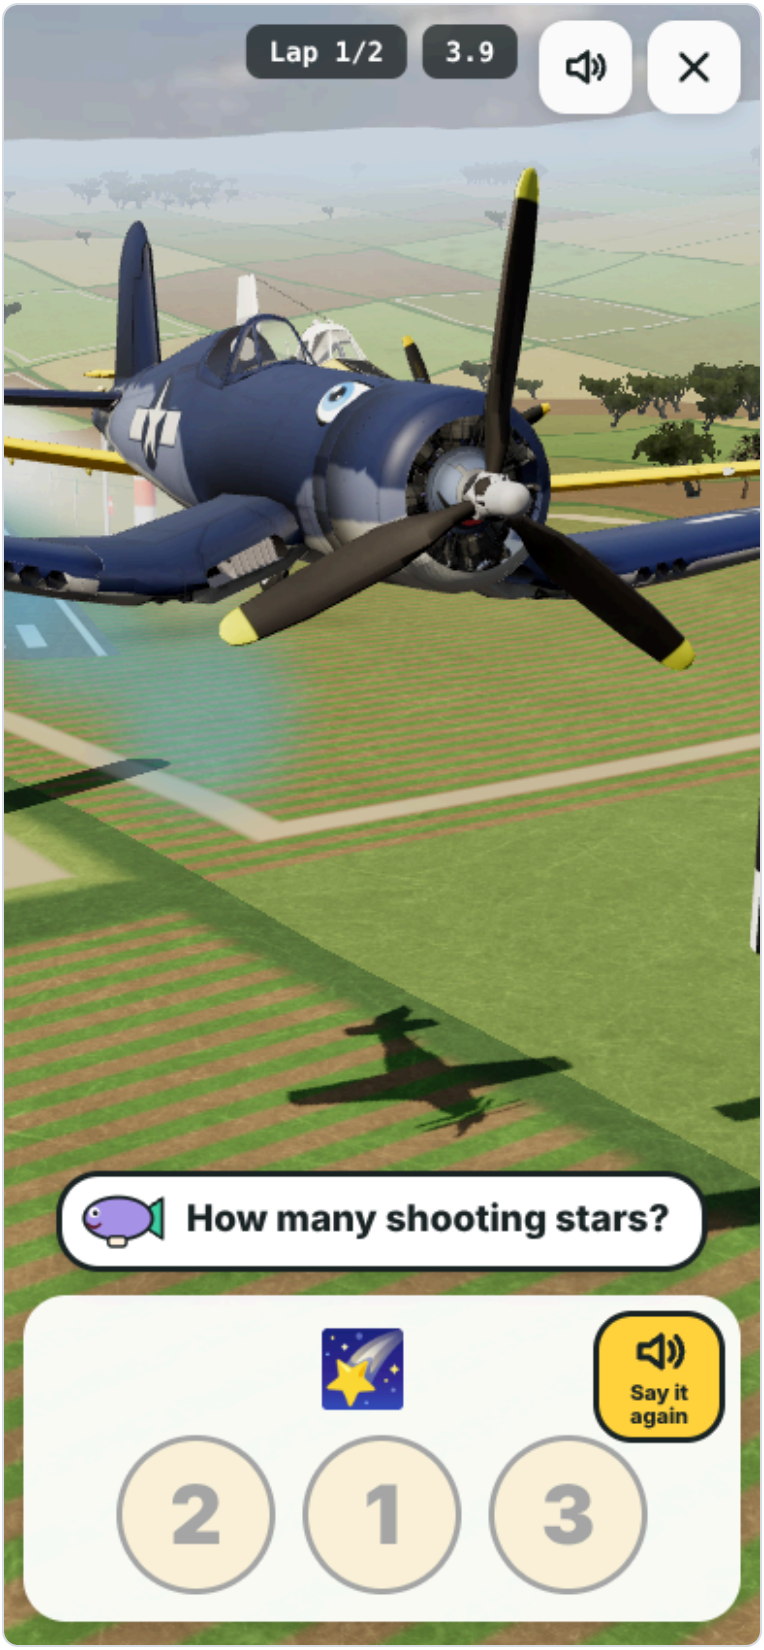

A plain race against other characters on one of 10 courses, with no questions. Section 2.6.

7. Number race (before today's change)

File: 07-number-race.png

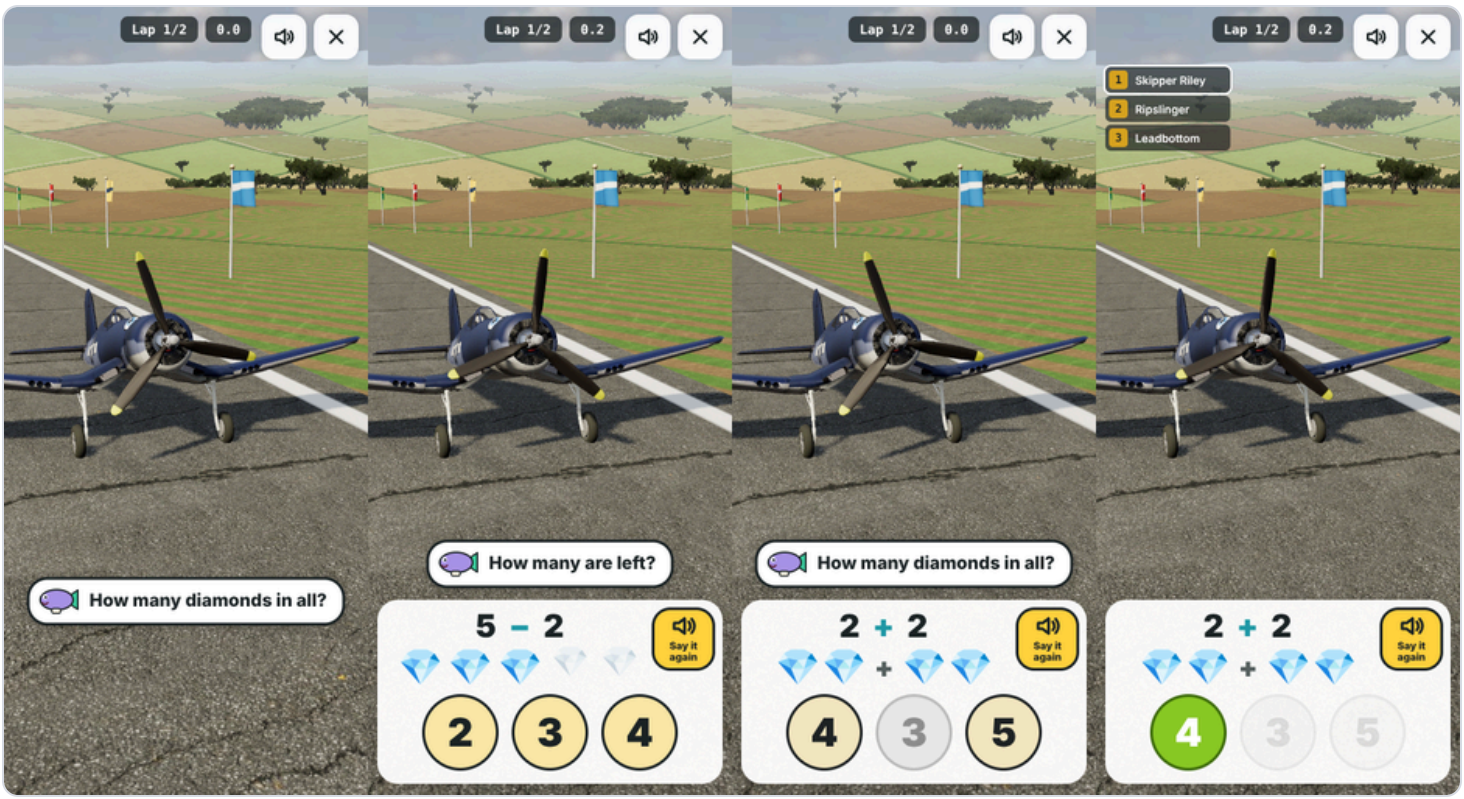

Polly the blimp asks a counting or adding question with pictures; a right answer boosts his plane. Section 2.7.

7b. Number race (current version)

File: 07b-number-race-new.png

Left to right: a take-away question with "5 - 2" written above the pictures; an adding question with "2 + 2"; a wrong pick (3) faded out so he tries again with no answer shown; the right pick (4) in green.

8. Letter Race

File: 08-letter-race.png

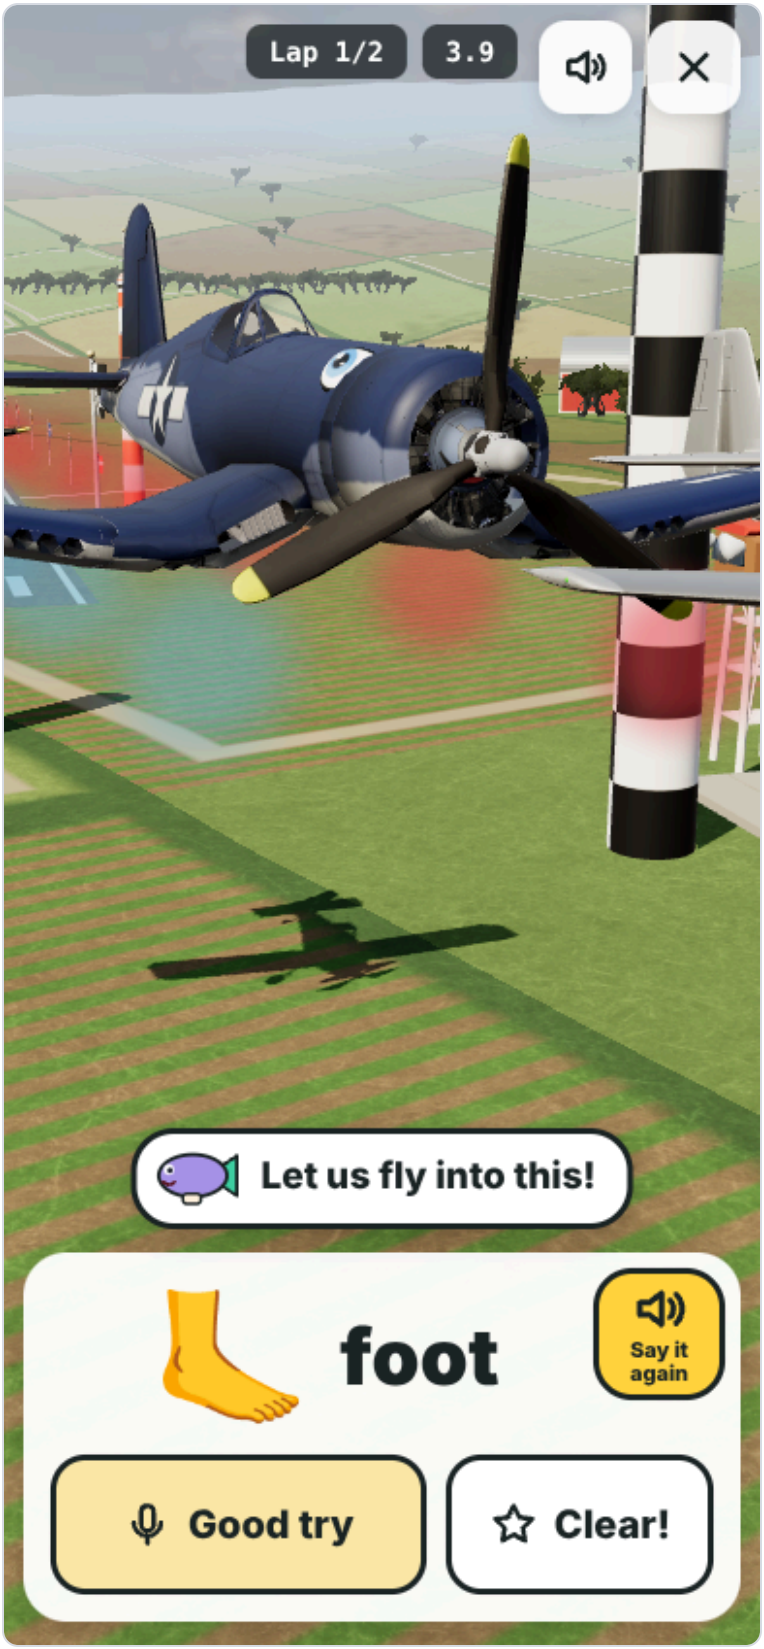

Polly says a letter or sound and he picks the matching picture card. English only. Section 2.8.

9. Say it! (word race)

File: 09-say-it-word-race.png

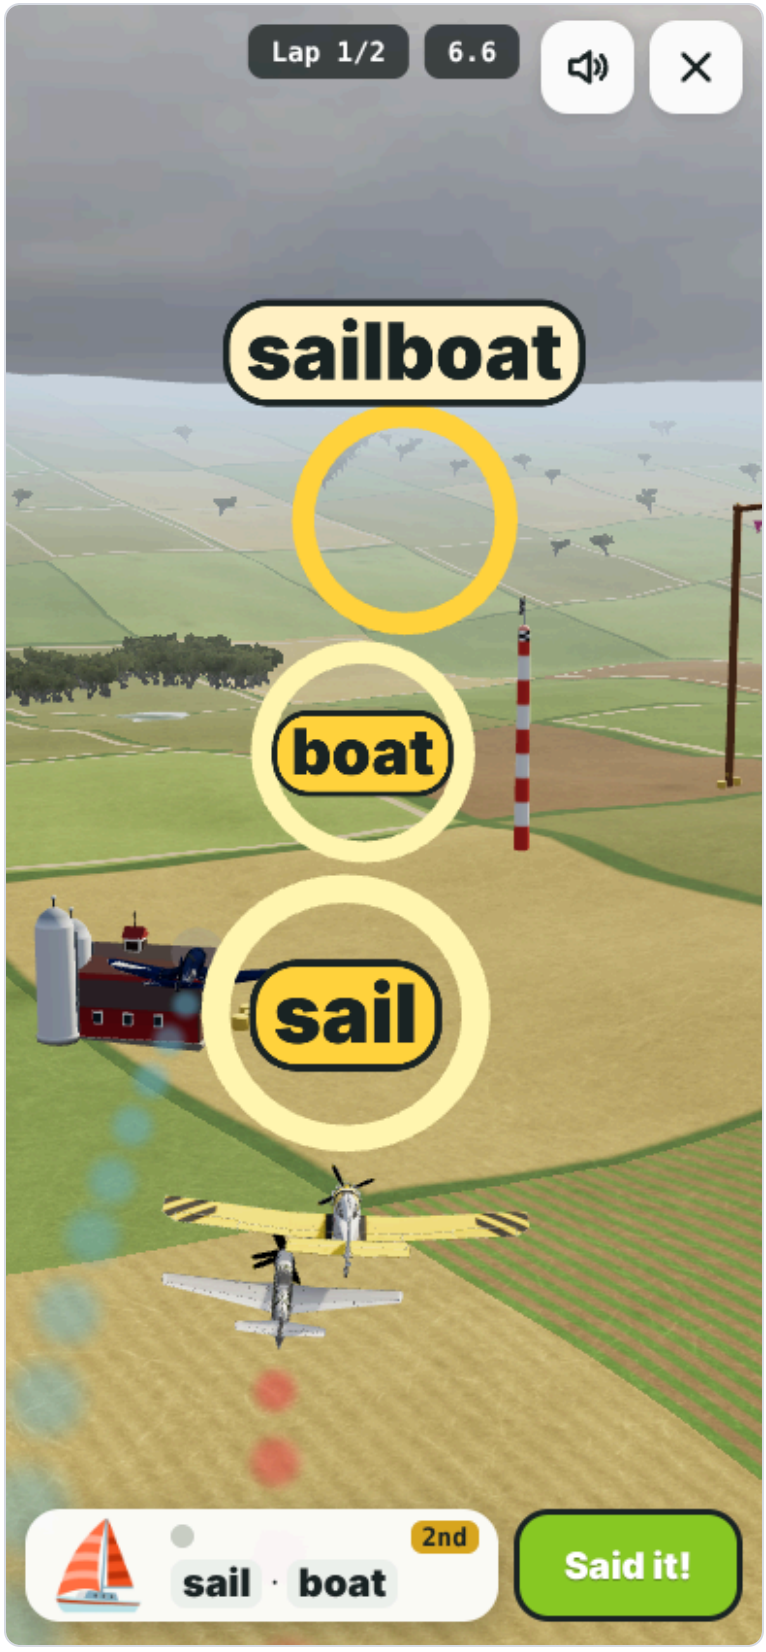

He says a word out loud (with a picture next to it) and a grown-up marks it clear or try again. Section 2.9.

10. Word Launch

File: 10-word-launch.png

He says a word or phrase one syllable at a time to launch his plane through rings. English only. Section 2.10.

11. Win show

File: 11-win-show.png

Each character has its own victory routine after winning (Skipper shown). Section 2.13.
